Overview. It is the policy of GLPTC and the United States Department of Transportation (“DOT”) that Disadvantaged Business Enterprises (“DBE’s”), as defined herein and in the Federal regulations published at 49 C.F.R. part 26, shall have an equal opportunity to participate in DOT-assisted contracts. It is also the policy of GLPTC to:

1. Ensure nondiscrimination in the award and administration of DOT-assisted contracts;
2. Create a level playing field on which DBE’s can compete fairly for DOT-assisted contracts;
3. Ensure that the DBE program is narrowly tailored in accordance with applicable law;
4. Ensure that only firms that fully meet 49 C.F.R. part 26 eligibility standards are permitted to participate as DBE’s;
5. Help remove barriers to the participation of DBEs in DOT assisted contracts;
6. To promote the use of DBEs in all types of federally assisted contracts and procurement activities; and
7. Assist in the development of firms that can compete successfully in the marketplace outside the DBE program.

This Contract is subject to 49 C.F.R. part 26. Therefore, the Contractor must satisfy the requirements for DBE participation as set forth herein. These requirements are in addition to all other equal opportunity employment requirements of this Contract. GLPTC shall make all determinations with regard to whether or not a Bidder/Offeree is in compliance with the requirements stated herein. In assessing compliance, GLPTC may consider during its review of the Bidder/Offeree’s submission package, the Bidder/Offeree’s documented history of non-compliance with DBE requirements on previous contracts with GLPTC.

Contract Assurance. The Contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The Contractor shall carry out applicable requirements of 49 C.F.R. part 26 in the award and administration of DOT-assisted contracts. Prompt Payment. Contractors shall pay subcontractors for satisfactory performance of their contracts no later than 30 days from receipt of each payment from GLPTC.

DBE Participation. All prime or general Contractors are hereby notified that they must show that all reasonable good faith efforts were made to have DBE participation or meet the minimum DBE participation goals on this contract, if applicable.

7. TERMINATION (Contracts > \$10,000)

Termination for Convenience (General Provision)

GLPTC may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in GLPTC's best interest. The Contractor shall be paid the costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to GLPTC to be paid the Contractor. If the Contractor has any property in its possession belonging to GLPTC, the Contractor will account for the same, and dispose of it in the manner GLPTC directs.

Termination for Default [Breach or Cause] (General Provision)

If the Contractor does not deliver supplies in accordance with the contract delivery schedule, or if the contract is for services, the Contractor fails to perform in the manner called for in the contract, or if the Contractor fails to comply with any other provisions of the contract, GLPTC may terminate this contract for default. Termination shall be effected by serving a Notice of Termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will be paid only the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract.

If it is later determined by GLPTC that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, GLPTC, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

Opportunity to Cure (General Provision)

GLPTC, in its sole discretion may, in the case of a termination for breach or default, allow the Contractor [an appropriately short period of time] in which to cure the defect. In such case, the Notice of Termination will state the time period in which cure is permitted and other appropriate conditions

If Contractor fails to remedy to GLPTC's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within [10 days] after receipt by Contractor of written notice from GLPTC setting forth the nature of said breach or default, GLPTC shall have the right to terminate the contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude GLPTC from also pursuing all available remedies against Contractor and its sureties for said breach or default.

Waiver of Remedies for any Breach

In the event that GLPTC elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this contract, such waiver by GLPTC shall not limit GLPTC's remedies for any succeeding breach of that or of any other covenant, term, or condition of this contract.

Termination for Convenience (Professional or Transit Service Contracts)

GLPTC, by written notice, may terminate this contract, in whole or in part, when it is in GLPTC's interest. If this contract is terminated, GLPTC shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.

Termination for Default (Supplies and Service)

If the Contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension, or if the Contractor fails to comply with any other provisions of this contract, GLPTC may terminate this contract for default. GLPTC shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. The Contractor will only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of GLPTC.

Termination for Default (Construction)

If the Contractor refuses or fails to prosecute the work or any separable part, with the diligence that will ensure its completion within the time specified in this contract or any extension or fails to complete the work within this time, or if the Contractor fails to comply with any other provision of this contract, GLPTC may terminate this contract for default. GLPTC shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. In this event, GLPTC may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to GLPTC resulting from the Contractor's refusal or failure to complete the work within specified time, whether or not the Contractor's right to proceed with the work is terminated.

This liability includes any increased costs incurred by GLPTC in completing the work.

The Contractor's right to proceed shall not be terminated nor shall the Contractor be charged with damages under this clause if:

1. The delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: acts of God, acts of GLPTC, acts of another contractor in the performance of a contract with GLPTC, epidemics, quarantine restrictions, strikes, freight embargoes; and

2. The Contractor, within [10] days from the beginning of any delay, notifies GLPTC in writing of the causes of delay. If, in the judgment of GLPTC, the delay is excusable, the time for completing the work shall be extended. The judgment of

GLPTC shall be final and conclusive for the parties, but subject to appeal under the Disputes clause(s) of this contract.

If, after termination of the Contractor's right to proceed, it is determined that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of GLPTC.

Termination for Convenience or Default (Architect and Engineering)

GLPTC may terminate this contract in whole or in part, for GLPTC's convenience or because of the failure of the Contractor to fulfill the contract obligations. GLPTC shall terminate by delivering to the Contractor a Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to GLPTC's Contracting Officer all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. GLPTC has a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, all such data, drawings, specifications, reports, estimates, summaries, and other information and materials.

If the termination is for the convenience of GLPTC, GLPTC's Contracting Officer shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services.

If the termination is for failure of the Contractor to fulfill the contract obligations, GLPTC may complete the work by contract or otherwise and the Contractor shall be liable for any additional cost incurred by GLPTC.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of GLPTC.

Termination for Convenience or Default (Cost-Type Contracts)

GLPTC may terminate this contract, or any portion of it, by serving a Notice of Termination on the Contractor. The notice shall state whether the termination is for convenience of GLPTC or for the default of the Contractor. If the termination is for default, the notice shall state the manner in which the Contractor has failed to perform the requirements of the contract. The Contractor shall account for any property in its possession paid for from funds received from GLPTC, or property supplied to the Contractor by GLPTC. If the termination is for default, GLPTC may fix the fee, if the contract provides for a fee, to be paid the Contractor in proportion to the value, if any, of work performed up to the time of termination. The Contractor shall promptly submit its termination claim to GLPTC and the parties shall negotiate the termination settlement to be paid the Contractor.

If the termination is for the convenience of GLPTC, the Contractor shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination.

If, after serving a Notice of Termination for Default, GLPTC determines that the Contractor has an excusable reason for not performing, GLPTC, after setting up a new work schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

8. DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION (Contracts > \$25,000)

The Contractor shall comply and facilitate compliance with U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 C.F.R. part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," 2 C.F.R. part 180. These provisions apply to each contract at any tier of \$25,000 or more, and to each contract at any tier for a federally required audit (irrespective of the contract amount), and to each contract at any tier that must be approved by an FTA official irrespective of the contract amount. As such, the Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or agency to be:

The certification in this clause is a material representation of fact relied upon by GLPTC. If it is later determined by GLPTC that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to GLPTC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. part 180, subpart C, as supplemented by 2 C.F.R. part 1200, while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any GLPTC requests which would cause GLPTC to be in violation of the FTA terms and conditions.
